Changeable Glassboards

VividBoard's Close Mount Changeable Glassboards marry the permanence of a traditional graphic dry erase board with the flexibility and ease of use demanded by today's complex healthcare environment. Changeable Glassboards allow you to showcase different care plans or multiple languages with a removable insert that is easily replaced if branding or initiatives change.

Details

- **Size:** 12" x 16" | 18" x 24" | 24" x 30" | 2' x 2' | 2' x 3', horizontal or vertical.
- **Finish:** 1/4" thick tempered glass with a rigid 1/8" thick VividCore insert.
- **Design:** 1" radius or square corners for strength and safety.
- **Mounting:** Satin aluminum standoff hangers create 1/2" spacing between the wall and the board, so graphics slide in and out easily.

Features

- Replaceable, removable inserts easily slide out from behind the glass writing surface.
- Innovative channel holds insert firmly against the glass giving the illusion of permanent graphics.
- Writing surface withstands high-use, resists ghosting, and carries a lifetime warranty.
- Customize both the glass border and the insert to meet the needs of your facility.
