Stylish Flexibility

Changeable glassboards from Ghent marry the permanence of a graphic dry erase board with the flexibility and ease of use demanded by today's complex healthcare environment. Swing and Slide Changeable Glassboards allow inserts to be changed easily, even when wall spaces is at a premium. Showcase different care plans or multiple languages with a removable insert that is easily replaced if branding or initiatives change.

Clear Communication

Increase HCAHPS scores with an effective communication tool that clearly displays caregiver names, schedules, and personalized graphics that reduce confusion and build trust.

Possibilities

Our in-house graphics team will collaborate with you to create a customized design to meet the needs of your facility.

Changeable Inserts

Glassboards are available with a slide-in insert or with glass writing surface that swings out from the wall to remove the interchangeable insert.

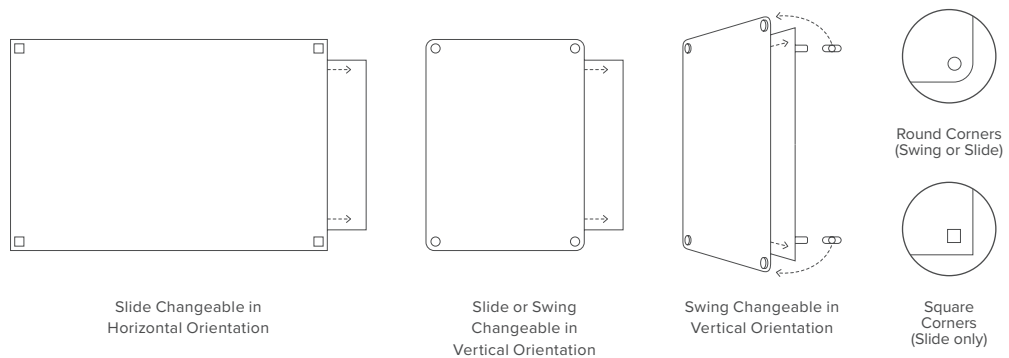

Patient Privacy

The smooth, tempered glass writing surface will not ghost or leave behind sensitive patient information.
